We're working on it. I don't know how quickly we'll have a response, but please coordinate with Sharon Kivowitz (who has returned from some time away) as she will have more detailed information. She is cc:ed.

Hi Jim. Any thoughts on my inquiry about Utility's placement in the eastern plume versus the central plume versus any plume? If comments are due at the end of the week, I need to know which group to coordinate with. Thanks. Regards, M
